

1           A.    Yeah, there's basically some words exchanged between a  
2 gentleman in the club and a dancer there.

3           Q.    Let me -- I'm sorry, I don't mean to interrupt you there,  
4 Mr. Orgill, but let me stop you. And I want you to tell the jury  
5 exactly what the words were, please.

6           A.    You know, I don't know exactly the words, but it was  
7 something like, you know, "You should go home with me" and then,  
8 "You're not good enough to go home with me," a disrespectful  
9 comment towards her.

10          Q.    Okay. So some folks from a different group of guys; is  
11 that --

12          A.    Yes, sir --

13          Q.    -- what you're talking about --

14          A.    -- a different group.

15          Q.    -- made this statement towards an employee or a dancer at  
16 the Appaloosa?

17          A.    Yes, sir.

18          Q.    Okay. And how did you react to that statement being  
19 made?

20          A.    I made a comment saying, you know, "That was  
21 disrespectful. You shouldn't talk to ladies like that."

22          Q.    Okay. And then what happens?

23          A.    There was kind of like -- I'm not sure if there was, you  
24 know, direct pushing, but kind of a getting in each other's face,  
25 heated atmosphere.
